

Presentation Code	Time	Presentation Title	Presenter(s)
Day 2: Tuesday, October 29th			
Business	8:00 AM	MACTE Business Meeting & DESE Update	Stephanie Koselski Daryl Fridley, DESE
5A	9:00 AM	MACTE Community College Forum	Ken Boning, Jefferson College
5B	9:00 AM	Teacher's Toolbox: Tech Tools and AI Hacks to Streamline your Teaching and Learning	Dr. Shantia Kerr Sims
Discover the potential of technology to support teaching and learning in your classroom. Leave with practical technology life hacks you can use today.			
5C	9:00 AM	Exploring how adaptive technology can provide a personalized learning experience tailored to teachers' needs	Zach Gregory, 240 Tutoring
In the session, 240 will explore how adaptive technology can provide a personalized learning experience tailored to teachers' needs. We will discuss the barriers posed by certification exams and present 240 Tutoring's comprehensive approach, including exam-aligned preparation resources, candidate monitoring tools, and effective test-taking strategies. We will also share data showing the success of these methods. Our goal is to address concerns regarding the recent changes to Praxis teacher certification exams and offer support for teachers on temporary or emergency certificates who still need to pass their exams.			
6A	10:00 AM	Missouri Educator Ecosystem Summit Report	Rene Burress, UCM Beth Kania-Gosche, Missouri S&T
This session will report on the Educator Ecosystem Summit initiatives.			
6B	10:00 AM	Creative Recruitment	Laura Schisler, Associate Professor, Missouri Southern State University Zack Rice, Assistant Professor, Missouri Southern State University Angie Durborow, Assistant Professor, Missouri Southern State University
Learn how one university is implementing creative recruitment efforts at the undergraduate and graduate levels; then share how your institution is also unique in recruitment!			
6C	10:00 AM	Empowering Students: Integrating Mental Health First Aid into Wellbeing Initiatives	Kelli McKee, MA, MT-BC, Graduate Research Assistant, University of Missouri-St Louis Ron Ray, MA, LPC, Graduate Research Assistant, University of Missouri-St Louis
Attendees will acquire tools to foster a healthier, more supportive student environment through the Mental Health First Aid (MHFA) and Question, Persuade, Refer (QPR) programs.			
7A	11:00 AM	Field & Clinical Directors Meeting	Kim Nuetzmann
Field & Clinical Directors Meeting			
7B	11:00 AM	Using Simulations to Train Pre-Service Educators	Elizabeth Walter, Assistant Professor, Rockhurst University
Simulations are one strategy to help hone pre-service teachers' ability to engage in successful collaboration with other education professionals with whom they will interact.			
7C	11:00 AM		
8A	12:00 PM	ILA National Recognition: Lessons Learned from One EPP	Julia Alexander, Assistant Teaching Professor, Missouri S&T
The presenters will describe what they learned in submitting for ILA national recognition.			
8B	12:00 PM	Using Hattie's Effect Size Research to Improve Teacher Efficacy	Lisa Nieuwenhuizen, Ph.D., Assistant Professor, William Woods University
By examining the highest two Hattie's effect sizes, education preparation programs (EPPs) can create actionable solutions to decrease implicit bias and increase teacher efficacy.			
8C	12:00 PM	Partnerships Matter in Addressing the Teacher Shortage	Dr. Kristee Lorenz
Partnerships Matter in Addressing the Teacher Shortage Equip...Engage...Encourage- The urgency to address the teacher shortage crisis is paramount to retaining and recruiting highly qualified teachers.
